Answers

- 1. D- To contradict means to deny the truth of (a statement) by asserting the opposite.
- 2. A- A disagreement is a difference between conflicting facts or claims or opinions.
- 3. B- Under, around, behind and in are all prepositions. However left is not.
- 4. If the "l" is removed from flame and inserted into bet, the two words formed are "fame" and "belt".
- 5. E- The combined compound word is yearbook.
- 6. B- If we rearrange the jumbled sentence we get "The children didn't know whether or not they could eat the cake." Therefore, weather is the unnecessary word.
- 7. The unjumbled word is "DEVOURED" which means to eat quickly/hungrily.
- 8. The pattern of forming the new word within the brackets is to take the 3rd and 4th letter from the first word and combine it with 4th and 5th letter from the second word. So, the answer will be "INTO".
- 9. A- A herbivore is an animal that feeds on plants, and animal that consumes meat is called a carnivore.
- 10. C- Peak is the correct spelling of the the pointed top of a mountain. To peek is to look quickly.
- 11. A- Three words can be spotted between two words in the sentence: "hats", "heart" and "earth." However, the question asks for a four letter hidden word, so the answer is "hats", which can be seen in between "that" and "sound".
- 12. B- The four words are "bark", "knew", "mask" and "keep".
- 13. The completed word in capital can either be "DROPPED" or "DRIPPED" for the sentence to make sense. However, ROP is not a three letter word as RIP is, so therefore rip is the answer.
- 14. The compound word is "bandage".
- 15. D- Bow has multiple meanings, it can mean to bend the head or upper part of the body as a sign of respect or greeting. It can also be knot tied with two loops. Hence "bow" goes equally well with both pairs of words.
