checked. Our team consists of educators with strong reputations for unlocking the full potential of their students.

Our tutors are graduates of top British universities, equipped with both a relevant degree and a PGCE. Moreover, they bring invaluable experience as exam board markers, they really have the expertise to guide students towards academic success.

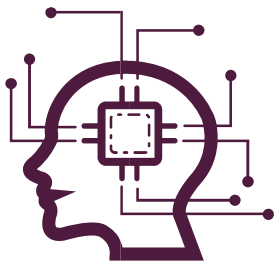

As the demand for our services has grown, so has our exceptional team.

We've extended our stringent selection criteria to include American, International, and Australian staff, catering to the diverse needs of students worldwide. Whether it's the American curriculum or the IB program, our tutors are skilled at navigating their educational systems and structures. With a presence in over 12 countries, we've accumulated extensive experience adapting to different learning environments, ensuring every student receives tailored support.

At the heart of our approach is the belief in forming a partnership between your family and ours. We understand that each student's needs are unique, so we offer flexibility in choosing the level of support required. Our meticulous matching process ensures you're paired with a tutor who aligns with your child's learning style and goals. However, should the need arise, we're ready to make instant adjustments to ensure your child's academic journey remains on track.

With Heather Harries, you can rest assured that your child's education is in capable hands. Let's embark on a journey towards academic excellence and personal growth together.

# Why we are more than just another education company?

### **Transparent**

Key to our success is our transparency, we are open and honest about our progress and our charges, there are no hidden costs only lots of additional services and benefits you will not find elsewhere.

### **Local**

Based in the UAE, with reach in 12 countries, we are here to support you whenever you need us. We work with outstanding and "super" teachers in many countries ensuring we are always able to find the best possible match for your budget and needs,

### **Bespoke**

When you work in education, one size does not fit all. We always think individually when looking at your needs; we identify your needs and your preferred learning styles. Success lies in taking the time to listen and understand the exact requirements.

### **Dedicated Relationship Manager**

A dedicated person who knows your requirements and is available when you need them. They will help students and you with everything you need.

## **HOW WE CHOOSE OUR TEAM**

Welcome to the gateway of educational excellence! At Heather Harries LLE, we understand the profound impact that exceptional teachers can have on a student's journey. That's why we leave no stone unturned in handpicking the finest educators to inspire and empower our students.

Every teacher in our team undergoes a meticulous selection process, where their backgrounds are scrutinised and their references checked. We leave nothing to chance when it comes to shaping young minds.

Each candidate is interviewed with precision, ensuring that only the most qualified and passionate individuals make it onto our team. But their ability to captivate and engage truly sets our teachers apart. We understand that learning is most effective when it's enjoyable, which is why we seek out educators who possess the knowledge and the knack for making every session exciting and enriching. We want our students to eagerly anticipate their time with their teacher, knowing that each encounter holds the promise of discovery and growth.

So, rest assured that when you choose our tutors, you're not just selecting a teacher; you're inviting a mentor, a guide, and a source of inspiration into your child's educational journey.

**As a minimum standard all teachers have:**

- A first degree in the subject they teach
- A post Graduate teaching qualification
- Speak English as a first language

### Learn how to learn

Welcome to "Learn How to Learn" – the ultimate study skills course designed to empower students to conquer exams with confidence and clarity. As you navigate the maze of academia, we understand that the path to success can sometimes feel daunting and overwhelming. But fear not because we're here to equip you with the tools and techniques you need to thrive.

In this dynamic course, we don't just focus on boosting your motivation to learn – though that's certainly part of it. We go beyond surface-level strategies to delve into the very essence of effective studying. One of the biggest hurdles students face is deciphering the intricate frameworks of exams, often leaving them feeling lost and uncertain about what to prioritize. That's where we come in.

Our mission is simple: to demystify the exam process and streamline your study approach. We break down complex exam frameworks into digestible chunks, empowering you to understand exactly what's expected of you. With a clear roadmap in hand, studying becomes not just simpler, but downright enjoyable.

So, if you're ready to transform your approach to learning and unlock your full potential, then join us on this transformative journey. Together, let's master the art of learning and set you on the path to academic success.

**Weekly Webinar - Mondays @5pm - 150dhs per session Personal One on One - 600dhs per hour.**

## **Parent questions and support**

### **FREQUENTLY ASKED QUESTIONS**

Welcome to Heather Harries LLE, where we understand that embarking on the tutoring journey can raise many questions and uncertainties. Rest assured, we're here to provide clarity and support every step of the way. This information pack addresses some common concerns to help you navigate the tutoring process seamlessly.

#### **How much tutoring will my child need?**

It's a question we hear often, and the honest answer is: we will know when we work with your child. Our approach is personalised and strategic, focusing on identifying gaps, understanding why specific challenges exist, and tailoring a methodology to overcome obstacles. We believe that less is more – starting with an hour of tutoring allows us to gauge progress and adjust as needed.

#### **What if my child does not like their assigned tutor?**

At Heather Harries, we prioritise the comfort and compatibility of our students with their tutors. If, for any reason, your child doesn't feel a connection with their assigned tutor, let us know, and

we'll arrange for a different teacher for the next session. No questions asked. We understand that preference is personal, and a good match is essential for effective learning.

**Do we have to have lessons every week?**

While we encourage regular sessions to maintain momentum and consistency, we understand that life can be unpredictable. You can set the schedule that best fits your family's needs. Whether you prefer weekly sessions, bi-weekly sessions, or a customised schedule based on your child's calendar, we're here to accommodate your preferences.

At Heather Harries, your satisfaction and your child's learning journey are our top priorities. We know that every child is individual, and we don't make you fit to us; we fit to you; every learning programme is individual, and every time slot is unique to you and your family.

When you have questions there is a dedicated person there to help. Your feedback is invaluable, and we're committed to ensuring that learning is never interrupted.
